UCI Facilities Management

CONSTRUCTION NOTICE

Location: Information & Computer Science 1 (ICS-1), Building #302

Disruption/Outage: Construction Noise, Dust, & Traffic

Date: Monday, November 18, 2024, through Saturday, February 1, 2025

Duration: Scheduled to begin daily at 7:00 a.m., last for approximately 8.5 hours, ending at approximately 3:30 p.m.

Details: Access control upgrade at selected doors on basement, Plaza Level, 3rd & 4th Floors. Installation of new card readers and door hardware at selected doors and conduit to floor security panel. Elevators receive card reader access at elevator call button on each floor. Existing doors to be modified or replaced with new door or frame to meet required fire rating at opening. During this time, there will be increased construction noise, dust, fumes and traffic. There will be movement of discarded and new materials between ground and roof level.

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health and Safety at x4-6200.

We appreciate your cooperation and apologize for any inconvenience this may cause.
If you have any questions or concerns, please contact Facilities Project Manager, Salvador Orellana 949-309-6746 or salvadao@uci.edue.

Cc: Building Facility Manager (please route to appropriate MSO/affected faculty and/or staff)
