Disruption/Outage: Construction Noise, Dust, & Traffic

Date: Thursday, July 24, 2025 through Monday, October 27, 2025

Duration: Scheduled to begin daily at 5:00 a.m., last for approximately 9 hours, ending at approximately 2:00 p.m.

Details: Access control upgrade of multiple buildings within the School of Arts. Upgrades include access control / card readers at selected doors and elevator cabs. Existing doors are to be modified or replaced to accommodate new access control, door, and hardware. Rated doors and door frames modified during construction will be recertified as required to maintain door ratings. During this time, there will be increased construction noise, dust, and traffic. There will be movement of discarded and new materials between ground and roof level.

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health and Safety at x4-6200.

We appreciate your cooperation and apologize for any inconvenience this may cause. If you have any questions or concerns, please contact Facilities Project Manager, Salvador Orellana 949-309-6746 or salvadao@uci.edu.
